

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest which DOES NOT include clearly biased smear campaigns during the most important Presidential Election in modern history.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Please do not enable the Sinclair Corp. to continue it's Right wing agenda using our public airwaves.
Thank You
